Patient Informed Consent to Treatment

R.TCM.P: Yue Fang Wang Reg#:04753

I, or the person listed below, have discussed with my traditional Chinese medicine practitioner or acupuncturist the specifics of my assessment or treatment and understand the nature, risks and reasons for this procedure. I voluntarily consent to Traditional Chinese Medicine/Acupuncture and understand that I may withdraw my consent and halt my participation at any time.

1. I understand that some of the techniques used under the scope of Traditional Chinese Medicine include the use of sterile, single-use needles to penetrate the skin. Additional treatment methods can include, but are not limited to: acupuncture, acupressure, the electrical stimulation of needles, cupping or moxibustion, gua sha, and Tuina. Before any of these procedures are performed, my practitioner will discuss my treatment options and only proceed if my consent is given.
2. My practitioner has informed me of the risks and symptoms of treatments, which can include, but are not limited to: slight pain, light-headedness or nausea, soreness, bruising, bleeding or discolouration of the skin, pneumothorax and the possibility of other unforeseen risks. I freely accept the risks involved with my procedure.
3. I will inform my practitioner if I currently have or develop any major health issues, if I suffer from any type of major bleeding disorder, or if I use a pacemaker.
4. I understand that I must let my practitioner know if I am carrying, or believe to have any infectious agents, including but not limited to HIV, TB and Hepatitis. In some cases where cross-infection is high, my practitioner may withhold treatment.
5. I understand that there are no guarantees for the results of treatments. Traditional Chinese Medicine does not often provide an instant cure. The length of my treatment depends on the severity of my condition. In some cases my symptoms may temporarily worsen before they begin to improve.
6. I am responsible for the full and prompt payment after services have been rendered.
7. I have discussed the content of this form with my practitioner. I acknowledge that I have asked any questions I may have and received answers I understand. By signing this form, I give my informed consent for Traditional Chinese Medicine treatments.
8. **Choosing to enter the clinic to receive treatment indicates you understand that despite the health and safety efforts made by Willa Wang TCM & Acupuncture Clinic, it is possible that an exposure to COVID-19 may occur here or anywhere in your daily activities. By pursuing treatment, you accept this risk as your responsibility alone and not that of the clinic, its employees or its practitioners.**
